

## Request for Quotation

RFQ MN001

13 March 2019

### **Repairs to Aquarium Ceiling Outside the Toilet Area**

uShaka Marine World invites eligible and accredited service providers to submit a written quotation on their official letter head for the above service.

#### **Introduction:**

We currently have a themed ceiling outside the toilet area that's constantly moist due to the condensation of the Chilled water pipe that runs above in the ceiling. We require the services of a contractor to modify the expose moist area and install stainless steel angle iron and pop-up grids that will allow air circulation for the reduction of condensation on the Chilled water piping.

#### **Scope of Work:**

- The contractor must supply and install all material required.
- Remove 12m<sup>2</sup> of damaged themed ceiling and dispose off-site
- Restructure suspended themed ceiling to accommodate 50mm x 50mm stainless steel angle iron.
- Install 1.2m x 600mm PVC ceiling grids.
- Work to commence at night.

The elected contractor must comply with SANS 10400 and the OSH ACT 85 OF 1993.

NB: Quote to be submitted before the end of business of Friday 15/03/2019 and sent to [mndlela@ushakamarineworld.co.za](mailto:mndlela@ushakamarineworld.co.za)

***Prior to any proposal that is submitted, a compulsory site meeting must be held with the Project Manager.***
