Submit Proposal/s and Recommendations for a Ventilation System for the Waste Handling Area

uShaka Marine World invites eligible and accredited service providers to submit a written quotation on their official letter head for the above service.

The quotation must be submitted with the following documents:

- A valid tax clearance certificate
- A current BEE certificate
- Valid Letter of Good Standing for Workmen's Compensation
- Proof of Public Liability Insurance
- Proof of Central Supplier Database Registration (CSD)
- Declaration of Interest Forms

Introduction

The waste handling area is situated on Camperdown Road in very close proximity to the staff facilities and restaurants. The challenges with the current operation are - odour control and an unsightly view for patrons using Camperdown road.

We therefore require the roller door to remain closed during most operations. The staff working inside the Waste Handling Area must be provided with clean air. The introduction of ventilation / extraction is required.

General Scope of Work Required

- Conduct an onsite inspection/assessment of the Waste Handling Area.
- Provide a proposal (including calculations and costing) for the ventilation / extraction system of the Waste Handling Area.
- Assist in drawing up a tender document for the manufacturing and installation of the ventilation / extraction system if the proposal is feasible.

General Notes

- Contractor on site are to adhere to all uShaka Marine World's site requirements include Health and Safety

- Contractors must work systematically to create the least amount of disturbance to uShaka Marine World’s guests.
- All measurements and quantities are the responsibility of the contractor to verify.
- Before any work taking place, the contractor must complete uShaka Marine World’s induction process.

***Prior to any quote submitted, a compulsory site inspection meeting must be held with the Project Manager ***
