**Description / Specification**

Entertainment and Events Department at uShaka Marine World requires a 3 day service where 4 mascot costumes will be collected, washed (inner & outer parts), dried, sanitized, and delivered back to uShaka Marine World within 3 days.

Material of mascots: Foam and rubber (Picture of Mascots below).

Number of costumes; 4

Rules for cleaning: (Below are the guidelines on the washing of these costumes that were put together by the producer)

- All material parts without foam rubber can be hand washed in soft soap.
- Do not Dry Clean head and shoes. These can be spot cleaned with thinned Clean Green on a soft rag. (Most supermarkets keep it on their shelves.) Make sure all access water gets rubbed out with a soft dry cloth after cleaning. It just helps to prevent water marks. Lycra shows watermarks extremely easy. Benzine is another option as it evaporates rather quickly. But be careful where the glue areas are. Don't soak.

**Contract Specifications**

Contract Period is from 14 February 2019 to 14 January 2020(12 months)  
 Pricing to be fixed for 12 months  
 Provide individual item pricing as per the above Laundry Requirements.
